Gentech Announces New Website

Gentech International Kazakhstan LLP, revealed today their new company website that describes their operations in Kazakhstan. The website address is www.gentechintl.com.

“We are pleased to present this website as part of our ongoing commitment to the development of our oil exploration operations in Kazakhstan. This website gives us the opportunity to formally introduce our Company to the petroleum industry in Kazakhstan even though we have been active here for several years”, stated Mr. Kwang Sik CHOI, General Director.

The Company is committed to conducting oil and gas exploration and production in Kazakhstan while adhering to the stringent guidelines required by the laws of the Republic of Kazakhstan and in accordance with international accepted standards

For over thirty years, our parent corporation, Gentech Holdings LTD (www.gentechholdings.com) has been a leader in the development of the atmospheric environmental business in Korea and over that time has established a corporate culture that respects the air, water and human resources in their areas of business development.

“...Energy is a key component in the growth of Kazakhstan’s economy and Gentech is proud to be a part of that development.”
